SUNNY CURREY

This is Davy Crockett Senior High School ... our world today, our past tomorrow ... As we enter the future, the old is transformed, and, as if by magic, seems to no longer exist ... Time and distance separate us from what was once ours. Someday our only link with the past will be memories ... What memories will linger in the world that awaits us? Will it be academic achievements, the sports events - the social events - teen-age loves - or all the joys and disappointments of our teen age years? Which will it be? ... Go with us now ... Relive these wonderful moments at CHS ... the year of 1969 ... It was a great year to be remembered always!!!

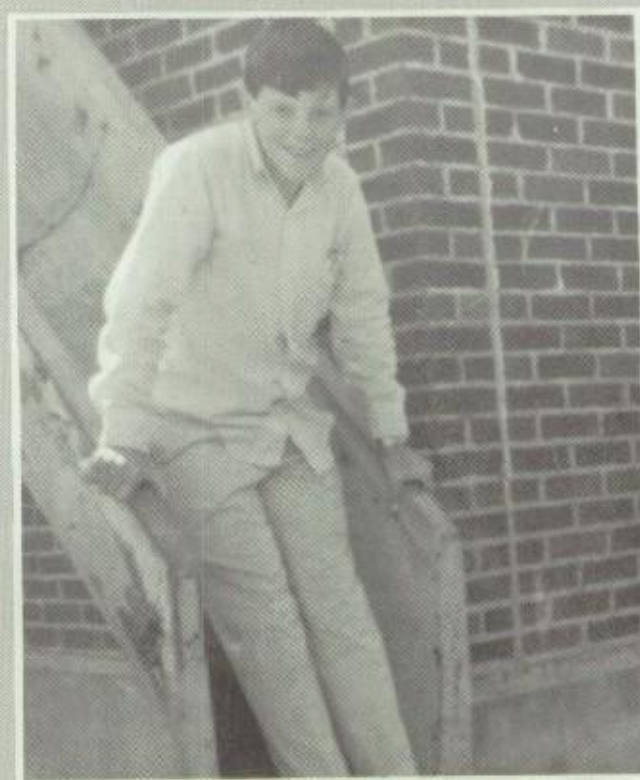

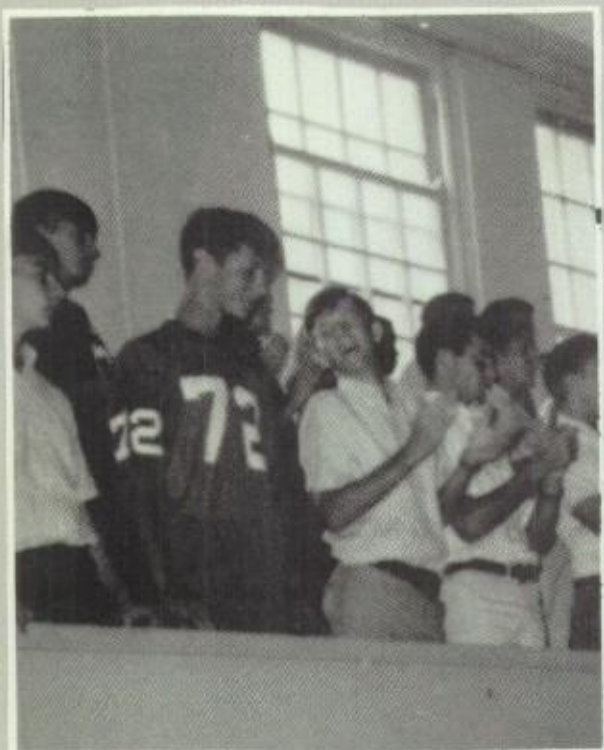

I guess you are a fairly sweet girl but you are, a soph. We have had a little fun together, hope we have some in the future or before I leave anyway be good Love you

BASEBALL

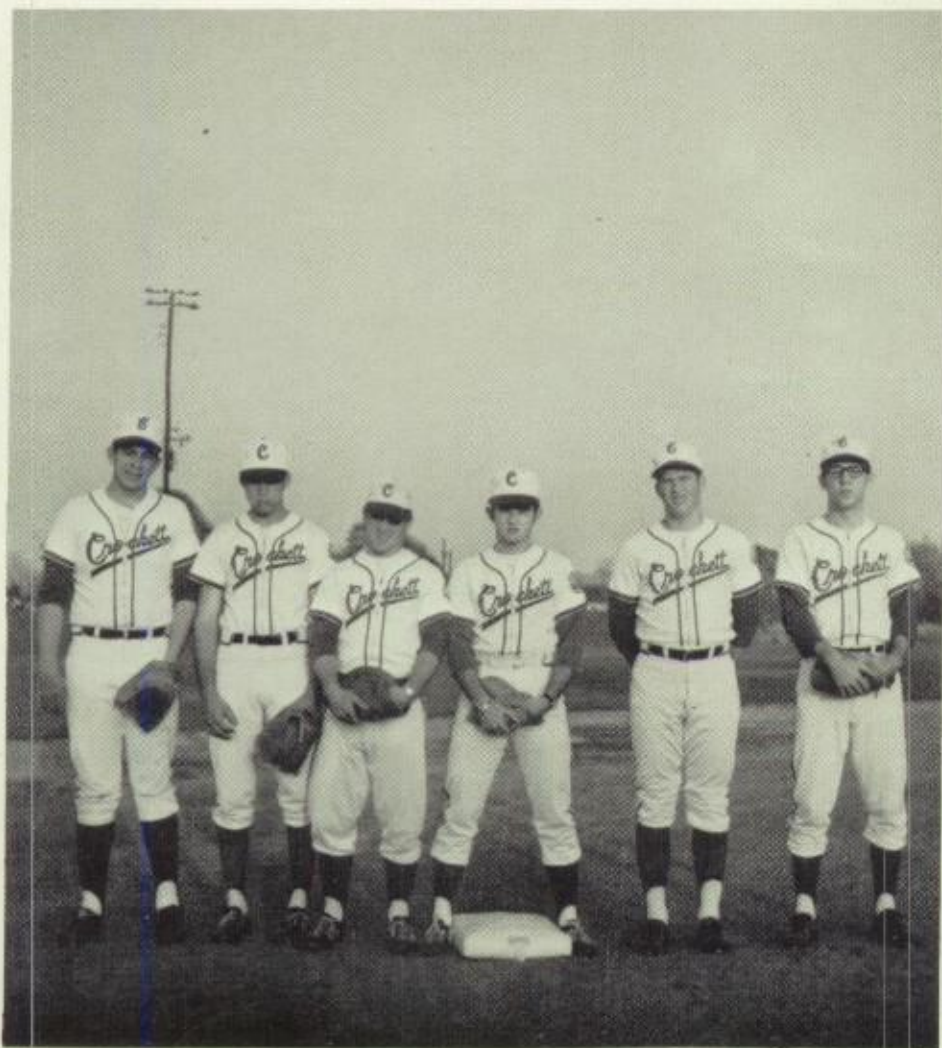

The Bulldog baseballers finished another successful year compiling a 10-7 record, but were struck by second-place phobia again as Rusk won the district with only one blemish on its record while the Dogs had two. Coach Jimmy Moore's team represented itself well in defeating such teams as Nacogdoches, Diboll, Grapeland and Central, which were either district winners or contenders.

George Cole, an ex-member of
the class of '69 is now serving
with the Marine corps in Vietnam.

Dear Classmates of 1969,

As you read this, the history of YOUR class, you will recall many wonderful and treasured memories. Today these memories are still fresh in our minds but as the years slip steadily by, they may become somewhat dulled but never will they fade completely.

It was an early autumn morning in 1957 when the Seniors of 1969 first entered the halls of Crockett Elementary School. Those bright-eyed youngsters were eager to begin the excitement of "real school" but a little dubious of leaving mother at home. It was a great accomplishment when everyone successfully completed the first day and we received our diplomas. Mrs. Griffin's grocery store made it very enjoyable for the business tycoons of First grade. Among the highlights of that year was the end-of-school trip to the Stagecoach Inn and the plays, "Roy Rogers and Dale Evans" and "The Spring." Our courageous leaders were Mrs. Eva Bynum, Mrs. Beatrice Griffin and Mrs. Fannie Lane.

By the time the first year was over we felt very confident and were eager to begin our second year. The trip to Trinity on the train made the year complete.

Soon we found ourselves entering third grade under the guidance of Mrs. Bernice English, Mrs. Fannie Lane, and Mrs. Ann Strength. Our fourth year held for us the excitement of the trip to Huntsville and a visit to the home of Sam Houston.

Fifth grade started out with band under "Old Man Hatton." How could we ever forget those baseball games supervised by Mrs. Garner and Miss Hassel.

Entering sixth grade meant becoming part of Crockett Junior High and being able to change classes with "the upperclassmen." Our Seventh and Eighth grade years passed rapidly. During these years we discovered the fun of parties, Friday nights at the Ritz Theater and spin the bottle! And who will ever forget our afternoon meetings at Wood's. We could hardly wait for graduation and summer to come so we could get our driver's license and become part of Crockett High School.

When September came we found ourselves sitting in the Freshman section of the gym for our first opening day assembly. It is a C.H.S. tradition for the Seniors to rise and turn toward the Freshmen and say, "Good Morning Freshmen." Well, as everyone remembers, we were ready with a prompt reply and that was the most embarrassed group of Seniors ever. Our first football season is one to be remembered always and we will never forget the morning we awoke to find our Bonfire in smoldering ashes. This tragedy spurred us on to greater efforts and we won district. Among the high points of our "Fish" year was the Powder Puff Game, (won by the Whites, of course), the night the Band marched at a Stephen F. Austin football game with Sul Ross, and the Band trip to Corpus Christi for the Bucaneer Festival. At the close of the year we honored the "unworthy" Sophomores with "Surf's Up." Our officers for that unforgettable year were: President, Sunny Currey; Vice-President, Jill Morrow; and Secretary, Tanya Hodges. Anyone could plainly see that we were NOT "typical Fish."

When our Sophomore year arrived we settled down to the regular routine of high school life. Again girls ruled. Our officers were: President, Phyllis Horney; Vice President, Jill Morrow; and Secretary, Charlene Sexton. That year began the great rivalry with Rusk when they "accidentally" beat us out of district. Our Sophomore class held the record for "Young Marriages," (eight at final count.) The Band again got to travel to Corpus Christi and the year was concluded with a "nice" party, "Sunshine and Daffodils" given by the "Lowly Fish."

We arrived at the beginning of our Junior year anticipating all the events the year held in store for us. Our dreams were soon fulfilled with the winning of Bi-District in football, (the first in thirty years). Next we treated the entire student body to a delightful Sadie Hawkins party entitled "Come As You Were." During the year we presented "The Trial of Little Bobby Hawes," honored the undeserving Seniors of '68 with a fascinating evening in an "Oriental Garden," and went through the awful experience of the girls band bus wreck the night before marching contest. Our officers for that year were: President, Tommy Darsey; Vice-President, Tanya Hodges; and Secretary, Jan Harkins.

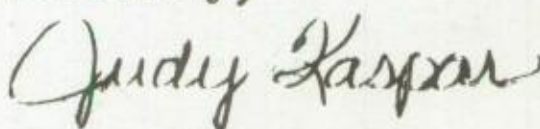

All too soon it seems, we found ourselves starting down the last stretch of our high school careers. This year held the very tragic event of the loss of a very dear friend to all of us, Pam Tunstall.

The officers for our Senior year were: President, Bill Holcomb; Vice-President, Sara Sewall; and Secretary, Jan Harkins. We did all the usual things for the final time; football games, Sadie Hawkins week, bonfires, pep rallies, banquets, parties and classes. Even though we will never all be together again, we will always cherish the memories we share as the Class of 1969. None will ever forget the Senior Civics trip to Austin. What a day!

The year drew quickly to an end and we found ourselves taking that last walk as a student of Crockett High School. Graduation night was one of tears, joys, and fears. Never will we be quite the same.

And so ended a great era in the history of C.H.S. Those few years held many exciting experiences for the BEST CLASS EVER!

Sincerely,

Judy Kaspar

Claine,

When Bill and I get married. I hope y'all
come stay with us. If you do maybe we can find
somebody like Bill for you!! If I know you you
don't want to get married to soon. You're out to
have your fun!

I remember all the silly things we've done? Like
~~com~~ leaving things in the bath room! The
bus ride back from Puck! Daddie Hawkins! That
was awful! Don't tell about the "stuff". Putting things
in rocks at the park!! Staying in Mrs. Powers room
for so long!!

I hope we have a lot more fun this year than we've
had the 3 years we've been running around together.
Stay as you are and you'll go far.

Claine,
We've been friends
since "that" dinner room
class in Jr. High. We've
had a lot of fun the
past 3 yrs., and I
won't forget it! Hope
you led the same. God
Bless you! Debbie

God Bless you

Claine,
Well, I've really enjoyed

Elaine,
Well where do I begin - we have had alot of good times together. But there were alot of bad ones too. - es-pecially those arguments over well - G.E.D. Well so much for that he's in the past & so are all of our arguments. You're a real sweet girl & stay that way and you'll go far in life.
Love ya,
